

# Effective Use and Evaluation of the Pupil Premium

**3** days  
**1** free taster  
twilight

£595

## Who is this course for?

- Pupil Premium Reviewers
- School leaders responsible for Pupil Premium funding

“There’s no doubt that the Pupil Premium has enabled schools to focus more on the learning of their disadvantaged pupils.

Having the resources to target support at disadvantaged pupils is the first step to closing the attainment gap.

But it is how those resources are spent that will really make the difference.”

- **Sir Kevan Collins**

## Outcomes

- Quality-assured framework for Pupil Premium Reviewers
- Honest and robust self-evaluation
- Strategies to evaluate the impact of a Pupil Premium strategy effectively
  - An evidence-informed Pupil Premium strategy

Education  
Endowment  
Foundation

Schools Network

# 3 Days and 1 **FREE** Twilight Session

Develop, implement and review an evidence based high impact Pupil Premium strategy and framework.

Developed by the Education Endowment Foundation and Research Schools Network, this programme draws upon the most recent and robust evidence of impact.

## Twilight introduction: a free taster session - Tuesday 8th May 2018

- Understand the principles of effective Pupil Premium use and the foundations of good implementation.
- Understand the evidence-informed school improvement cycle and implementation framework.
- Prepare to evaluate current practice against the principles of effective Pupil Premium use and the foundations of good implementation.

## Day 1 - Monday 21st May 2018

- Explore how to use data to define tightly focused improvement priorities and address the root causes of underachievement.
- Understand how to identify and apply appropriate, evidence informed teaching approaches and programmes that address improvement priorities/defined challenges.
- Understand the evidence around 'what makes great teaching.'

## Day 2 - Monday 9th July 2018

- Set clear outcomes for the impact of Pupil Premium provision based on identification of pupil need.
- Develop an approach to evaluate and monitor the progress and quality of Pupil Premium provision.
- Create an implementation plan.

## Day 3 - Tuesday 11th September 2018

- Receive expert feedback on your draft implementation plan.
- Review progress of your implementation plan.
- Understand how to gather evidence on the effectiveness of your Pupil Premium provision.
- Understand and develop strategies to ensure the sustainability of your Pupil Premium framework.

### James Richardson; Head of Research Schools, Education Endowment Foundation

James joined the EEF in September 2013. He leads the Research Schools at the EEF, a network of 23 schools dedicated to supporting other schools.

### Marc Rowland; Head of the Rosendale Research School

Marc is a leading expert on the effective use of Pupil Premium, having worked with over 300 schools to support them with their Pupil Premium strategy.

### Nikki Jones; Head of Shireland Research School

Nikki has been a senior leader and a mathematics SLE since 2013. She is the Director of both the Shireland Teaching School Alliance, and Shireland Research School.
