- Action planning to run your own evidence- based practice
- Explore tools for the effective evaluation of practice
- Gain an insight into the effective dissemination of evidence

LEADING LEARNING

Supporting leadership to maximise the impact of CPD
Only £295

We know that the quality of teaching in the classroom has the biggest impact on student outcomes. In addition, professional development is most effective when informed by robust evidence. This innovative programme provides a comprehensive overview of research evidence in education with a range of evidence-based tools to help lead learning so that attendees can devise a high impact cpd programme.

Who?

- School Teaching and Learning leads
- CPD Leaders across TSA's and MAT's
- Prospective or existing research leads
 - SLE's

£295 for three
full day
workshops

Why?

- Make evidence-informed decisions about improving teaching and learning
 - Meet the DfE 2016 Teachers' Professional Development Standard
